Coronavirus (covid-19) Update

March 19, 2020 – This update is to inform you that there are now two (2) positive coronavirus (covid-19) cases in Palisades Park.

I urge you to remain calm and continue to practice all public health recommendations like social distancing, handwashing, and disinfecting surfaces. We all have to do our part and work together to contain and prevent the spread of the virus.

We are continually working with our Health Officer, County and State officials as this is a constantly and rapidly changing situation. We will do everything possible to provide you with the most up to date information as we receive it. Be safe and stay well.
