Mayor

Branka Lulic, MPA, H.O.
Health Officer/ Administrator

March 19, 2020 - Per New Jersey Governor Murphy's executive order, effective immediately the following business closures are mandatory in Palisades Park in order to protect public health from the spread of coronavirus (covid-19) until further notice:

CLOSED for business:

- All gyms, fitness centers, yoga studios, and similar facilities;
- All massage parlor salons, spas and sauna establishments;
- All cosmetology salons - barbers, hair and nail salons, make-up and eyelash shops, and all other personal care services, etc.
- All entertainment/recreational establishments – billiards, karaoke, bars, nightclubs, etc.

OPEN for business:

- Restaurants with or without liquor licenses are open for normal business hours but are limited to take-out service and delivery orders only and must follow social distancing per CDC guidelines.
- Supermarkets, grocery stores, food stores, and pharmacies are open for normal business hours but must follow social distancing of at least 6 feet between patrons. Large supermarkets must adhere to social distancing by limiting the number of patrons within a store to 50 persons or fewer at any one time.
- Non-essential businesses are open for business from the hours of 5am – 8pm and must follow social distancing per CDC guidelines.

We are strongly encouraging those who do not need to be out after 8pm to stay home to help keep everyone safe. Please remain calm and continue to wash your hands, disinfect surfaces, and stay home if you are feeling sick. It's the most effective way to protect yourself and our community as a whole.
